***Allowable Subject Matter***

Claims 18-23 and 27-28 are allowed over the prior art of record.

The following is an examiner's statement of reasons for allowance: although the prior art of record discloses various semiconductor device structures comprising a substrate and multiple packaged ICs, the prior art of record does not particularly disclose or teach, as per claim 18, the terminals of the first and second packaged ICs that are connected to each other are all located on first and second sides of the first packaged IC and on a first side of the second packaged IC, and the first and second sides of the first packaged IC face the first side of the second packaged IC, in combination with all of the features recited in total throughout the claim, and as per claim 27, the first packaged IC comprising the terminals and units as specifically recited in combination with all the features recited in total throughout the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
